Toi Ohomai Institute of Technology Strategic Intent

Globally education is undergoing disruptive change, driven by technology; learner expectations of employment outcomes; as well as employer & government expectations of relevance and value. Delivery models have changed more in the past 10 years than in the previous 1000 years and are expected to change even more rapidly. In this context Toi Ohomai will systematically and continuously adapt to ensure that its education models and practices are relevant; that our technology, systems and processes meets future business needs; that staff capability and culture embraces change; and our physical asset base meets future learning needs, with a specific focus on improving access to education and enabling employment opportunities throughout the Bay of Plenty.

Toi Ohomai's ability to produce the best possible outcomes for our students, communities and business through seamless connectivity with our regional stakeholders, and lwi in particular, is critical to the social, cultural, environmental and economic wellbeing of the wider Bay of Plenty region.

Toi Ohomai's Strategic Intent is to:		We will:		
1.	have meaningful and effective partnerships	 a. Be a strategic education partner to lwi, industry and the communities in the region. b. Recognise lwi of the region as rights holders. c. Work collaboratively with other education providers. d. Work closely with government agencies. 		
2.	deliver tertiary education, research and technology transfer to meet the needs of the region .	 a. Ensure that we understand and meet the tertiary education needs of the region. b. Provide accessible and adaptable pathways for learners. c. Develop our discipline and research strengths to align with those of the region. d. Be active in technology transfer and applied research for industry. 		
3.	be innovative and support innovation	 a. Create an organisational culture that encourages and supports innovative practice. b. Develop activities that support new innovators and entrepreneurs in our region. c. Embrace and share new technologies and practices in education and industry. d. Build our capability and delivery of STEM subjects and courses. 		
4.	be learner-centred	 a. Offer a range of services to support student success prior to enrolment, during their study and beyond graduation. b. Tailor our educational delivery to suit the needs of the learners and to enhance their employability. c. Ensure our campuses, programmes, delivery and support mechanisms engage and support Maori and Pasifika students to achieve success. d. Create a culturally-safe environment for all learners. 		
5.	be a sustainable organisation	 a. Ensure that we are financially responsible and sustainable. b. Develop revenue streams appropriate to our core purpose. c. Maintain the highest standards of health and safety for our staff and students. d. Develop the capability of our staff to meet the future needs of the organisation. e. Minimise our negative environmental impact. f. Contribute to the social cohesion of our communities.
